To—The Firms dealing in Testing Instruments.

Enquiry No. 10830.

Subject.—Testing Instruments required for the Transformer Laboratory at the Government Electric Factory.

Gentlemen,

No. S.P.C. 47491-511. Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the undermentioned schedule, in the form printed below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions:—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellations of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for Testing Instruments required for the Government Electric Factory," Bangalore with the above enquiry number.

This enquiry will be closed on the 26th February 1952.

Local Indent No. 11366.

Enquiry No. 10756,

Supply of Cotton Waste required for the several departments of Government.

Gentlemen,

No. S.P.C. 48814-15. With reference to your quotation dated 20th December 1951, received in response to the above Enquiry, I write to request you to enter order for the materials described in the undermentioned schedule at the price mentioned therein and arrange to make supplies in such quantities as may be required from time to time by the several departments of Government.

This order will be subject to the following conditions:—

1. The prices accepted should hold good up to 1st July 1952. No enhancement in price will be allowed during the period for any reasons whatsoever.

2. The contract will be deemed to be limitted to the quantities that may be actually indented for by the departments.

3. The material to be supplied should be free from dust, particles of metal and artificial cotton and should strictly conform to the specifications and the approved sample. Supplies not in accordance with the sample or specifications will be rejected at your risk and cost and you will be required to replace the supply by correct material without extra cost to us.

4. If on grounds of urgency or any other reason materials not conforming to the approved quality are accepted, you must be prepared to accept in respect of such supplies such prices as may be determined by the Stores Purchase Committee to be reasonable within the limits of the accepted price.

5. The indents of the departments should be complied with within a week from the date of receipt of the order.

6. In the event of delay or failure to supply the material the Stores Purchase Committee reserve the right to cancel the order and arrange for the purchase of the material in the open market, debiting the extra cost incurred thereby to you and also levy a penalty of 3 per cent of the value of the order as and by way of liquidated damages.

7. If, during the contract period, there should be reduction in the price of the material, we should be entitled to the benefit of such reduction.

8. The bill of cost should be sent to the Indenting Officers direct for arranging payment.

As a guarantee for the due performance of the contract, you should execute an Agreement on a Ten Annas Mysore Government Stamp Paper, binding yourself to execute the contract satisfactorily and also deposit Rs. 100 as security. A draft form of Agreement is enclosed.

The above Local Indent Number should be noted in all correspondence relating to this order.
